

品質政策 Quality Policy

群聯電子股份有限公司本公司秉持提供客戶滿意的產品與服務之理念，訂定品質政策，作為公司整體品質管理系統之指導方針，並提供充分可應用資源，參與品質制度之建立及推廣活動。向各階層員工溝通滿足客戶及法規要求之重要性。

Phison Electronics Corp. adheres to the philosophy of providing customer-satisfying products and services. To this end, we have established a quality policy that serves as the guiding principle for the company's overall quality management system. Furthermore, we provide ample and applicable resources to actively participate in the establishment and promotion of our quality systems, while communicating the importance of fulfilling customer and regulatory requirements to employees at all levels.

- 技術提昇 **Improvement of techniques**
- 品質穩定 **Stability of quality**
- 客戶滿意 **Satisfaction of customer**
- 綠色產品 **Green Product**
